

Fireside Chat Date Change

ATTN: The Fireside Chat has been moved to THURSDAY JAN 25 due to freezing pipes at camp and other delays. We hope to see you there!

You are invited to join our Fireside Chat with Mountaineer Area Council Staff and volunteers in the Camp Mountaineer Dining Hall! The Fireside Chat is the Council's opportunity to connect with all of our Packs, Troops, Crews, Posts, and Teams about program opportunities and new resources that are available.

Open to everyone in the council, this is an opportunity for scout leaders, parents, and interested parties to discuss program ideas, information on district and council events, and items of interest to the scouting community. This is also a great place to develop a network of other scouters to share knowledge about everything from local and national camping areas, to activity ideas, food, fun, fellowship, and much more!
