

# The Commons at Camp Mountaineer

*Your heart never left camp.  
Keep a little piece of you  
there forever.*

Camp Mountaineer remains a special place throughout the life of every Scout – from making great friends, to learning skills, and trying something new. Now you can be a permanent part of Camp Mountaineer’s history with the purchase of a personalized commemorative brick to be placed in the *New!* Commons Area located between

the Dining Hall and its Pavilion! Proceeds are placed in the council endowment whose principle will never be spent! Instead, like the brick, the proceeds will help our Council and Camp Mountaineer remain strong for the youth of North Central West Virginia well into the future.
